1. I will give you the land you stand on for you stand on only Me now.
You stand on My land and you stand on Me.
I am Me and I am My word.
I am Me and you stand on My word.
I am Me and you stand on My land. For I have given you the land.
I have given you My land.
And I come and I call and I conquer all forces to stand on My land so soon.
Days, hours, minutes. Watch Me.
2. Yea, behold Me, what I say and how I say it and how I come to the Mighty Many; unrestricted, restricted not. I love you, and I give you Me.
3. I give you days, hours, and minutes now with only Me. With only Me. In Me. With Me. Us together, One. See what I have said.
4. See Me and eat My words, more, please. More. Taking My scrolls, My delicacies, My truths and eating them as you spoke of, making them a part of you. They flow in your veins. I love you.
5. Watch Me now take you to airports many and in lands foreign and to languages you know nothing of, spoken through people that My heart beats for, that I care for, that I care for so deeply; that I care for intimately and intimacy I desire with them being Me.
6. **I thank you, for you are not afraid of the schedule that I now have you on.**
7. I give you Me and phones many, yea, communication systems far outstripping the miserly, meagerly distancing systems of duplicate imaging and digital replication; thought so prevalent today. Watch Me.
8. Watch Me create in your bosom.
Watch Me come forth from your loins.
Watch Me come out in your words.
Watch Me create with the word of My mouth/your mouth, My hands/your hands. Yea, Me being Me, the Mighty Many in you; in you coming forth all over My **WeekWorks**, weaknesses none. I love you. Glaze of only Me. Watch Me.
9. Watch Me glaze and seal unto Myself My insignia on the hearts, the hands, the foreheads of only Me. Yea, no mark taken. No other mark destroying the work of My hands.
10. I love you. My mark enjoy. My seal, My insignia. Yea, My seals open, My insignias flowing. Yea, watch Me.
11. Tout not My words nor temper tantrum ever unveil. My meekness prevails, permeates and penetrates every word, every thought, every motive, every action; doing

unto you, by you, through you, not what you think in your own wisdom, but yea, what I think in My wisdom. Yea, what My wisdom is, given to Me by My Father.

12. Yea, I come, I call and I conquer the desperate, the desperate for Me. I conquer those who seek Me, who say, **"I know there's more."** Yea, I conquer them and give them such beauty. **I pull them off the pews into My hands now and into My training schools, My schools of training; globalizing ones thought so timid and shy and reticent in the past, who now boldly go forth, lion-izing My Judah**. Yea, I love you.

13. My Israel comes forth; My covenant replete in every tribe, nation and tongue. Yea, watch Me.

14. Tongues of only Me, speaking Me, unafraid, fearless. Yea, confident, yea I am their base, I am their foundation, I am the word in their mouth. Yea, declarations of only Me coming forth. I love you.

15. I promise not without delivering. I deliver. Watch Me.

16. Watch Me fly you through skies many, over oceans and around obstacles-thought insurmountable. Yea, watch Me. Enjoy My flight. Enjoy yours.

17. I give you this day and birthdays of only Me. Watch Me.

18. Watch Me celebrate My body in beauty and beholdment beyond anything the world has ever beheld. Watch Me. Watch Me. Watch Me. You know what I mean. Watch Me. You know what I'm saying. Watch Me. Yes, the work is done; finished before (1) the Cross, in the Cross, through the Cross and now beyond the Cross. Yea, My second coming come'd and now is. Yea, the deliverers deliberate and ponder and many pander.

19. But I am not alone; My 7,000's (2) are many, many, many in many lands, and without Me they wait in vain. But with Me, they wait, knowing the King of Glory is coming and being revealed now this year in the Mighty Many coming forth. Oh, glory to the risen Savior. Glory to the risen Lord. Glory to the resurrected Mighty Many coming forth in might and power, majesty, splendor and glory; drink-offering'd disciples who know who they are, who I am, what I did, what I've done, what I've given them; and now they live in the freedom of the fullness of the Father/Me/My Son; I glorify. And I glorify you for glorifying My body. All that I have is thine. Yea, watch Me.

20. Enter into My rest (3) and war with the peace of the angelic host, not, but that of My Father's lap (4). I love you. Thank you. Enter into My rest and war in your joy which now never stops, never ceases, never ends. My joy flows forth, yea, a fountain filled with blood, Mine, flowing from Me.

21. Lovelier than thou, yea, thoroughbreds and Virginians (5) of only Me. Watch Me.

22. I come around curves and corners now. Watch Me. Watch Me. Watch for Me. Watch Me play. Watch how I come. Watch how I surprise you. Watch how I play. Watch how I pray. Watch how I paint My colors, My clouds, My sunrises and sunsets, My seas and oceans and lakes. Watch Me. Watch Me in the people you meet. Watch Me. Watch for Me. Watch Me come and light on their shoulder and speak. Watch Me enter the conversation and share My wisdom, My joy and My laughter. My fun, My smiles, My tickles (6), My Ted. Yea, My blood flowing in My body as I designed being seen more and

more through the eyes of the see-ers, yea, those who have been given eyes to see. Those who chose Me, those who choose Me, those who choose to see. See what I am saying.

23. I love you. Maturity begins at the house of the Lord as does judgment for judgment comes and yea, is at the door.

24. Many will mock, many will scream.

25. Watch Me. Watch Me shock and share. Shock and share. My who are ready for Me and My who are ready not. Watch Me.

26. Watch Me come and call and create through those who are ready for Me; who seek My appearing, who seek My fullness, who fearless are; fearing not the fullness of Me and the recognition of who I am and what I have done for them, in them, and what I am doing in the earth today; standing on plates and not being afraid; countering forces, thought so powerful; hindering the hinderer, yea, stopping that which is not-Me, propelling that which is of Me. Yea, My who watch Me, watch Me.

27. My call today to watch Me and enter into Me more, yea, listening, being still, knowing that I am God and there is none other. Watch Me. Watch Me. Watch Me behold Me in My body. Watch Me. I love you.

28. Think it not strange who is here and who comes and who now travels over land and sea, far and wide, overcoming all obstacles to return and change the scenery and be Me more and more and more, the fullness of Me. Miracles so common place, My natural state, the nature of Me, My nature coming through My who love Me and have waited and sought and now release Me into all who want My appearing. Watch Me.

29. Watch Me and joy be. Joy be. Be My joy for you are My joy and I take such joy in you. Joy be. Joy you are. Joy I am. I joy in My joy. Thank you for being My joy. Sharing My joy with My body all. Yea, full moon so pretty. Watch Me. Watch Me come and share with My body. Watch Me

Footnotes:

1. Eph 1:4 According as he hath chosen us in him before the foundation of the world, that we should be holy and without blame before him in love: Heb 4:3 For we which have believed do enter into rest, as he said, As I have sworn in my wrath, if they shall enter into my rest: although the works were finished from the foundation of the world.
2. 1 Ki 19:18 I have seven thousand people left in Israel who have never bowed down before Baal and whose mouths have never kissed his idol.
3. Heb 4:9-10 There remaineth therefore a rest to the people of God. For he that is entered into his rest, he also hath ceased from his own works, as God did from his.
4. Gen 2:2 And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made. Heb 4:9-10 There remaineth therefore a rest to the people of God. For he that is entered into his rest, he also hath ceased from his own works, as God did from his.
5. I think this refers to people like Dot Ward, proud of being from Virginia and living

there many years. She is now 85, adventurous, has written God's words for over 20 years sharing them with people, and has been to every WeekWorks thus far but one. Dot says of herself, "Well, I always want to be where the action is!" Smile.

6. I don't know how else to say it; one morning I awoke laughing, realizing I was being tickled, though no one else was around. I knew it was Him. It was so precious, so loving, so… incredible.
